### 15% Discount Account Qualifications

The Santa Barbara Home Improvement Center offers a 15% discount to individuals or businesses that meet our purchasing criteria as a reward for their volume purchasing. In order to continue receiving this discount, all payments on accounts must be received by the end of the month following the month in which purchases were made. This will allow all purchases a minimum of a 30-day interest free wherein the discount is permitted. Once an account goes past due, your account will accrue finance charges at the rate of 1.5% per month and your discount privileges will be suspended until your account is brought current. The following purchase options will qualify your account for the 15% volume discount. If you are applying for a discount account, you must return this letter along with your application, and also return any specific information requested below.

\_\_\_ My/Our account will maintain charging activity of \$3600.00 a year (or an average of \$300.00 per month). Please submit copies of your register receipts, cancelled checks or credit card receipts from SBHIC for the last 3 months and our accounting office will calculate whether or not you qualify for the discount under this option. Your purchasing levels will be monitored during the year to verify that your purchasing activity qualifies your account for the volume discount. Should your account volume fall below our minimum requirements to receive a discount, your discount privileges will be turned off. Once your discount privileges have been turned off, it will be your responsibility to let us know that your current purchasing volume is again sufficient to qualify for the discount, so at that time if you notify us we will gladly re-activate your discount privileges.

\_\_\_ I/We are a non-profit organization. In order to continue receiving account discounts, your account must be paid within our terms and kept in good standing. ***Please submit a photocopy proof of your letter from the IRS- Department of Treasury, indicating your current Federal Non-Profit Tax I.D. status and number.***

In order to receive any discounts, you must first have an In-House Charge or Cash Account approved by our accounting office.

Thank you for taking the time to submit this information, so that we may promptly consider your account for approval. Should you have any questions, please free to call Monday through Friday at (805) 963-7825 or you can send an email to [AR@sbhicable.com](mailto:AR@sbhicable.com). We look forward to serving your many needs over the years to come.
